A. Trustee Recommendation:

Due to an oversight following the Annual Meeting and the monthly board meeting on September 17, 2025, when Ms. Marilyn Sandoz stepped down from the role of Board Vice-President, no recommendation or subsequent motion was made for her to remain on the board as a trustee. This workshop was held to formalize the recommendation of Ms. Sandoz as a trustee for a three-year term in the class of 2028. All attendees were in agreement. A motion will be made at the board meeting following this workshop on the same night, October 15, 2025.
