

## **DEVICE SET-UP FOR E-BOOK FIRST TIME USERS**

Whether you are using a Smartphone, iPhone, tablet, iPad, nook or kindle, you will need to do some basic set-up before downloading eBooks. If this is your first time using your device for downloading eBooks, please follow these directions.

1. All users EXCEPT Nook: make sure you have an Amazon.com account and that you know the username and password. Create one if you do not have one.
2. Have your Maitland Library Account number and pin ready.
3. You will need to add Overdrive to your device if it is not already there.
4. Turn your device on and unlock it
5. Open your device store by tapping on it: Play Store, iTunes Apps, Store, or Shop
6. Search for Overdrive
7. Tap on Overdrive and click on install, download or buy (it is a FREE).
8. Tap on the Overdrive icon
9. You will now create a new Overdrive account: you may create a unique username and password OR you may log-in with Facebook. Once you are logged in, your device will remember your log-in.
10. Close Overdrive
11. If you do NOT own a Kindle or Nook device: search for Kindle reading app
12. Tap on Kindle reading app and click on install, download or buy (it is a FREE)
13. Tap the home button on your device to return to the main screen
14. All users EXCEPT Kindle and Nook: Open Kindle reading app. You will be asked to register your device by logging into your amazon account.
15. You are all set to add books! Please see our other hand-outs for complete instructions on searching for and downloading books.
