

- Instead of reading logs, this year we're taking a virtual trip around the zoo!
- Fill out this passport each week that you watch our videos, read a book from that week's list, or participate in some way.
- Turn in your completed passport at the end of Summer! You can drop it off in person or take a picture and email it or message us on social media.
- Deadline is August 19 by 9PM.
- Winners will be contacted on August 20.
- 2 Grand Prizes will be available: one for ages 0-5 years, and the other for elementary-aged students.
